A phenomenal proposition presents itself: Imagine a seaside inspired Gulf coast condo home wholly reinvented with such top shelf finishes that are remarkable by any estimation, now marry those refinements to an incredible cityscape vista stretching the wide expanse of the Clearwater skyline, and you have this exquisite residence sited within the venerable and iconic Continental Towers on South Clearwater Beach. Level 5 finishes inclusive of skim coated ceilings and walls, plank flooring, custom cabinetry, stone counters, superior appliances, exquisite baths and the list goes on...Plus a little twist, since this already generously proportioned floor plan offered a volume walk in closet it's been converted to a second sleeping area w/closet. Now, let's talk geography: Continental sits on Clearwater Pass adjacent to the sugar sands of South Beach, and is walking distance to all..A seaside pool, social room, storage and carport parking makes resort living oh so easy...
